Welcome To The First Snowmobile Rally

On Sunday the Royal Canadian Legion Branch 129 are holding their First Annual Snowmobile Rally with the focal point being the Rotary Beach, Head Lake, Haliburton.

To all participants in this fastest growing winter sport, we hope that you will find conditions to your liking and trust that enthusiasts who may be coming here for the first time will so enjoy themselves that they will return again.

A lot of time and effort has been put forth to ensure that the programme will be run off without a hitch and provided the weather man co-operates, the event should be a success.

As an added feature a Junior race and Free For All race has

been added. A list of events is contained on page seven of this issue.

Fenelon Falls Rink Wins Snowflake Spiel

The Snowflake Bonspiel held at the Minden Curling Club on Saturday, February 20 was won by a rink skipped by Jim Curtis of Fenelon Falls.

Second place was captured by Don Brown's rink of the Avonlea Curling Club, Toronto.

The third prize went to a rink skipped by Fred Speer, also of the Avonlea Club.

Outstanding Orangeman Honoured

Orangemen and their ladies from all parts of the county were present at the Orange Hall on Friday evening last to honour a brother who had made an

outstanding contribution to the cause of Orangeism, not only in this area but of all eastern Ontario. The orangeman we refer to is Clayton W. Hodgson, P.C.M. This man over the past fifty years has a record of service in the Orange Order that would be hard to duplicate. Of course anyone who knows C. W. Hodgson, would realize that whatever he undertakes, whether it be business, politics or fraternal

Red Cross Dance Is A Huge Success

The Haliburton Branch of the Canadian Red Cross held the most successful dance in their history on Friday evening last. Events of this nature held by the society have not been all crowned with success but from comments heard since the occasion, the Valentine Dance bids fair to becoming the banner attraction of the year as far as dances are concerned.

The auditorium of our attractive new Legion Hall provided an ideal setting for the event. The food served was excellent and the music supplied by the Teletars Orchestra of Bancroft was termed simply out of this world by dance lovers. If said orchestra need any recommendations they need look no further than Haliburton.

Mrs. Gloria Nimigon was the winner of the beautiful Hassock donated by Harry Langdon for the lady having the most articles in her purse. We understand that before the adding machine broke down the number of arti-

cles in Mrs. Nimigon's purse was tabulated at 133.

Prompt Payment

Leo and Faye Hogan and their seven children recently found themselves homeless when their Highland Grove residence was completely destroyed by fire.

Said fire occurred on Thursday, February 18th, but on Saturday, within 48 hours of their misfortune, Mr. Mark Vasey, representative of the Insurance of North America, presented Mr. and Mrs. Hogan with a cheque for the sum of \$1500.00. This amount was an advance payment pending final settlement of this claim and was of great assistance to the Hogans at this particular time.

Sometimes we are prone to regard insurance men as sort of a nuisance but when disaster strikes, we are mighty glad to have them around.

Local Bowler To Play On TV

Ron Robinson of Minden, who is rated as one of the best bowlers in Haliburton County will be appearing on CHEX Television Channel 12 this Saturday, February 27th at 6 p.m.

Ron with a triple 724 was the top bowler of regional Carling Cup rolloff at Medley's Bowl at Carnarvon. On Saturday night he will be playing against Jack Playford of Peterborough.

Other district finalists were Lew Roberts, Boyd Griffin, Rod Lankin, Harry Cowan, John Down and Ken Stevens.

CARNARVON SKI REPORT

Report excellent skiing on a 12 to 18 inch packed base, 3 inches fresh snow. Junior Ski School is continuing Saturday mornings 10 to 12 a.m.

Father And Son Banquet Held Monday At Legion

A pack of hungry Wolf Cubs, Scouts and their Fathers gathered at the Legion on Monday evening for their Annual Father and Son Banquet.

Following the singing of "O Canada" and Grace offered by Rev. Noel McNeill, the 1965 Chaplain of the Scout Groups, the appetites of those present were satisfied with a delicious hot turkey dinner.

On behalf of the Legion, the sponsors of these boys' groups, George Brennan welcomed the boys, their fathers and the visitors.

Chairman of the Scout Committee, Dick Clarke, was M.C. for the evening's programme. He introduced those at the head table and had the fathers introduce themselves and their boys.

Reeve Roy Brohm, in his brief address, paid tribute to a long-time faithful worker of the Scout

Committee who was unable to be present, Mr. W. R. Curry.

Cubmaster Len Salvatori then made the presentations of silver spoons to the "Black Plume" Six. Sixer Dennis Kingston, Second Sixer Paul Dawson, Tim Curry, David Gauthier, Jerry Donaldson, and Philip Kirkpatrick are to be

Youth Convicted For Fourth Time In Four Months

MINDEN (ENS) — Glen Richardson, 16, of Minden, convicted last Tuesday of drinking while under age, his fourth such conviction since September, was sent to jail for three months by Magistrate Ian Munro without the option of a fine.

The court was told that Richardson attempted to set fire to a blanket in the police cell and spat at his jailer.

He was arrested at the Minden Arena on Jan. 30 — week-end of the annual winter carnival.

Police said Richardson was taken home after complaints about him causing a disturbance. However, the youth walked in the front door and out of the back door and returned to the arena, where he was arrested and taken into custody.

He was also fined \$20 or he may serve an additional 10 days for operating a car without a driver's licence.

The court was told that Richardson was on probation when the offence occurred.

Five Convicted In Liquor Case

LINDSAY (ENS) — Four Kilmount area youths and an Oshawa youth were each fined \$15 and costs Monday for drinking while under age.

Victor Swinson, 19, Lawrence Anderson, 18, Hugh Fountain, 19, all of Kilmount, Joseph Fielder, 18, Cobocok, and Gregory Watson, 18, Oshawa, pleaded guilty to the charge.

Weather Report

Recorded by John Elstone
Period February 17 to 24
Maximum temperature 34 degrees on February 17; Minimum temperature -23 degrees on February 20; Snowfall 3 inches; Rainfall nil; Snow on ground 15 inches.

Senior Citizens Home Committee Meet

A meeting was held in Minden on Thursday evening last of the committee in charge of the construction of the new Senior Citizens' Home in Minden. Those present were Mark Vasey, Miss M. Bamford, Mrs. M. Medley, Frank Puffer, John Y. Harrison, Frank Welch and Berkeley Feir.

The committee were brought up to date on developments regarding progress being made on the construction of the new home which it is hoped will be completed not later than January 1, 1966.

The members decided that the township clerks of every municipality in the county should be notified by letter as to what type of labour could be used in the construction of the new building.

While quite a number of applications have been received for positions on the staff of the new home, more will be welcome but before any jobs are let, all such positions will be advertised in the local papers. Applications received to date have been placed in the care of Mr. Frank Puffer.

Other items discussed were color schemes and furnishings for the building. Every angle which will ensure that Hyland Crest Home will be one of the finest of its kind in the province is being explored by the committee.

Next week we hope to acquaint our readers with what qualifications are necessary for one to become a resident of a Senior Citizens' Home.

Glen Dart Trophies Tournament Postponed

At a meeting of the Glen Dart Memorial Trophies Tournament Executive held at the Echo Office on Tuesday morning it was decided to postpone the Glen Dart Memorial Trophies Tournament for the present at least.

This event had been planned for two nights with half of the teams competing in Minden on Friday evening and the remaining teams playing off in Wilberforce on Saturday.

As it would appear that winners have only been declared in one group of the Haliburton Minor Hockey Association, the executive had no other course open to them.

We have a few fine sports-minded citizens who are spend-

ing a goodly portion of their time in the interests of minor hockey in our county but they could stand a lot more assistance. Let us hope that in the coming year we will be able to improve our hockey setup in order that all scheduled games will be completed and winners declared before tournament time.

Snowmobilers Make Record Run

The first group of snowmobilers to travel from Haliburton to Algonquin Park made the trip on Sunday last. This trip covered some ninety miles and all returned to the home base without mishap.

The territory which was covered was often travelled by the forefathers of those participating. One wonders what they would think if they had ever met up with these snow cruisers. Guided by Donald Little, the group travelled by compass over lakes, portages and unmarked trails from Kennis Lake to Smoke Lake on Highway 60.

Among those who made this initial trip were Buck Baker, Percy Lymburner, Curry Bishop, Reg Sproats, John Curry, Dr. Harry Good, Donald Little, Charlie Titus, Stewart Baker, Bill Morgan of Ajax, Bill Prentice, Paul Prentice and Les Northey of Minden, and Bob Kinsmen of Clarkson. Youngest member on trip was Paul Prentice, aged 12.

The above group have other such trips planned and anyone who so desires is invited to come along.

Urges PCs To Pull Together

Roy Windover, newly-elected president of the Victoria, Hal-

ROY E. WINDOVER

burton, Ontario North Progressive Conservative Association urged all Tories to work together as a team.

Addressing about 125 members at the town hall in Lindsay on

Saturday, Mr. Windover of Minden, said "We have a job to do. We will accomplish little unless we work as a team".

Fred Stenson, Peterborough MP, and Rod Webb, MP Hastings-Frontenac, were among those in the audience.

The 1965 executive includes: George Inrig, first vice-president; Mrs. Pearl Ford, second vice-president; Joseph Jenkins, third vice-president; Stanley Oliver, fourth vice-president; Walter Hobden, fifth vice-president; Carl Hickson, sixth vice-president; Gordon Pepper, secretary; Murray Agnew, treasurer.

Convicted Of Theft

Kenneth Stanley Martin, 20, of 526 O'Connell Road, Peterborough, and Daniel Faiers, 20, of Buckhorn, were each fined \$50 and costs when they appeared before Magistrate Ian Munro last Thursday charged with the theft of copper wire from an abandoned mine in Cardiff Township. They admitted cutting the wire from a pole. They were given two weeks to pay.

Women's World Day Of Prayer

The Women's groups of the Haliburton Churches are co-operating once again this year in their annual observance of the Women's World Day of Prayer. Beginning at 2:30 at the Full Gospel Lighthouse, the ladies will be taking part in the service. Mrs. Jeanine Carder of the Anglican Church has been asked to speak. Mrs. Blanche Wright is the soloist for the service.

At 4 p.m. the girls of Haliburton are invited to the Full Gospel Lighthouse to participate in their service of observance of this World Day of Prayer. Although these services are held in the Full Gospel Lighthouse, they are thoroughly interdenominational.

The World Day of Prayer Service for 1965 was written by Mrs. Jessie Jai McNeil, a gifted and distinguished American Negro woman, wife of The Rev. Dr. Jesse Jai McNeil, minister of Metropolitan Baptist Church, Pasadena, California, who is the author of a number of devotional books, and a well-known Conference speaker.

Dr. and Mrs. McNeil are the parents of four teen-age children, two girls and two boys, all musically gifted and exceptionally successful in their academic studies.

Mrs. McNeil's education has encompassed a wide field. She has an A.B. degree from Howard University, Washington, D.C., and an M.A. from Fisk University, Nashville, Tennessee. She took special post graduate studies in Social Psychiatry at Duke University, Durham, N.C., and served as Instructor in Sociology at Meharry School of Nursing, Nashville, Tennessee.

In recognition of her exceptional service in various fields of co-operative endeavour, Mrs. McNeil has been awarded many honours and distinctions. In 1961, when she was living in Detroit, she was named "Layman of the Year" by the Detroit Council of Churches. She is the first Negro to receive this citation and the second woman to be so honored. In the same year, the House of Representatives of the State of Michigan named her "Michigan Citizen of Superior Talents and effective Effort in behalf of Humanity." She is listed in "Who's Who of American Women."

In July 1963, Mrs. McNeil was one of 300 women invited by President Kennedy to a conference at the White House, the outcome of which was the formation of the Women's Committee on Civil Rights.

Mrs. McNeil is a member of the General Board of the National Council of Churches of Christ in the U.S.A. She is also a member of the National Board of the United Church Women of the N.C.C. of C. of U.S.A.

In 1961, she led the Prayer Fellowship in Kitwe, Northern Rhodesia, held in observance of the 75th anniversary of the World Day of Prayer. At that time, she also visited Nairobi, Kenya, Kampala and Uganda.

The choice of Mrs. McNeil as the author of this year's World Day of Prayer service was an

inspired one. Her selection of the theme, "What Doth the Lord Require of Thee?", is most timely in view of the international and inter-racial tensions in the world today.

WILBERFORCE

Mr. and Mrs. George Hunter and son of Pontiac, Michigan were visitors with their parents over the week-end, Mr. and Mrs. A. M. Fleming.

Residents of Wilberforce and the surrounding district wish to comment the Township Council on their effort in keeping our roads passable during the icy spell.

A LITTLE BIT OF HUMOR

John Bull is my name, and one I think is respected by all, My home is a little island, but powerful and small. My girls, they are the prettiest, searching North, South, East and West. My boys, they are the pluckiest, the noblest, and the best; They have a constitution that will stand a deal of trouble, Although they find expenses have been getting nearly double, But those two boys, Houme and Wilson, try to comb each other's wool. But I think that Houme is the favourite of old John Bull. For I feel as young as ever, some who think they are clever, They fancy I'm used up, but with me they will have to pull; For I've still the pluck and muchell, whenever there is a tussell, I mean to hold my own, while my name is John Bull.

A. M. FLEMING.

TENDERS WANTED

Tenders will be received up to 5:00 p.m. Monday, March 8th, 1965, to supply and install 2 Rear Tractor Tires 16.9 x 24 with tubes. Must be first line; loaded with calcium to specifications.

Lowest or any tender not necessarily accepted.

News Notes From The County

A by-law to revise the parking meter fine from 50 to 75 cents will be presented to a forthcoming Lindsay Council meeting. Other items on the agenda include first and second readings of a by-law authorizing improvements to Colborne St. W. and second and third readings of a by-law governing mobile canteens.

Verulam Township Council is in favor of rust inhibitors being added to salt for winter use on roads. At the February meeting council instructed its clerk to notify the department of highways of this decision.

The Minden Winter Carnival committee held a meeting last week and set the dates for the 1966 Carnival. It will be held on January 28, 29 and 30, 1966.

Silver Hussel, 64, of Cameron is counting the days until he is once again united with his wife whom he has not seen since 1923. His wife Vera, 65, is believed to be in Moscow getting her papers in order for the trip to Canada.

LINDSAY (ENS) — A field demonstration was held February 20 at 10 a.m., six miles from Kilmount, to show Christmas tree growers how to develop balsam.

S. F. Johnson, timber supervisor, Department of Lands and Forests, said recently that the growers would be shown brush control, thinning, stump selection and shaping by trimming.

The demonstration took place on property owned by Edgar St. Thomas on Highway 500 at Galena Hill.

A Fenelon Falls rink skipped by Peggy Sheehy, with Barbara Jenkinson, Orlee Bryans and Mabel Weaver, Sunday advanced to the Provincial Curling Playdowns at Peterborough by defeating a Bancroft rink 7-5 in Business Girls District Playdown.

The great motion picture "Cleopatra" plays at both the Beaver Theatre in Minden and the Molou Theatre in Haliburton this week-end, Friday, Saturday and Sunday, February 26, 27 and 28.

Pete McGillen in his column in The Telegram last week had this to say about Haliburton: There's good ice in Haliburton. Gull Lake and Boskung Lake have been giving up num-

erous lake trout. Mr. Minto of 50R3, Kilmount has several huts on Gull Lake near Minden and is a responsible operator.

Fred Olan who owns a motel at Carnarvon and who may be reached through the Maple Lake exchange has huts for the ice fishermen. Carnarvon is a few miles above Minden on Highway 35.

Mr. Wm. Cameron of Burnt River had the misfortune to fall and break his ankle last week.

According to the Bancroft Times, lake trout fishing in the Harcourt, Wilberforce areas continues to be good and is recommended for anyone wanting a day's fishing.

Glen Hodgson, M.P.P., was the guest speaker at the Brotherhood of Anglican Churchmen's Communion and Breakfast held at St. George's Church last Sunday.

The winner of the second drawing of the "300 Club" of Bancroft was Mr. Richard Jeff of Apsley.

It seems that every community finds it hard to obtain a dentist. The Bancroft Chamber of Commerce is continuing its efforts to obtain another dentist for Bancroft to take the place of Dr. Weatherhead.

Electrical service is now available to 95 per cent of the farms in Ontario including thousands in remote northern areas. To serve its rural customers, Ontario Hydro operates more than 49,000 miles of distribution line.

The Cobocok Winter Carnival was held in Coby on Friday

night last. Wrestling on the ice was by the Fenelon Falls Rotary Club. Figure skating was done by the Peterborough Figure Skating Club. A two-period hockey game featured the No Stars against the Coby Hasbins.

And this week Syl Apps, (P.C. Kingston), told the house the government should ensure that existing liquor laws are enforced before it begins to liberalize them.

Haliburton News Letter

In the Snowmobile Races held recently at Young's Point, Percy Lymburner of Haliburton placed third in the Cross Country 30 mile race out of a field of 150 contestants.

The Past Masters' Banquet and Presentation of long service certificate to C. W. Hodgson, P.G.M. of Ontario East, was held at the Orange Hall, Haliburton on Friday night last.

The St. George's Church Pancake Supper will be held at the Orange Hall in Haliburton on Tuesday, March 2 from 5:30 to 7 p.m. Adults \$1.25, Children under 12 50c.

Final preparations are being made for the First Annual Snowmobile Rally to be held in Haliburton at the Rotary Beach on Sunday, February 28th.

A large crowd was on hand for the Annual Valentine Dance held at the Legion Hall on Friday night last. It was sponsored by the Haliburton Branch of the Red Cross Society.

At the present time, glass is being installed in the interior of the new Arena and Community Centre.

Winter Fishing

I know a fellow who lives by the lake,
Of all the fellows, he sure takes the cake;
He has his fish house set up on the sand
And the way it is working, he says is quite grand.

You don't have to bother cutting a hole,
And you don't really need a bloomin' fish pole;
All you need is a cigar and some gin,
And he is quite happy where he is within.

Now he says it simply is grand,
If he gets tired fishing, he plays in the sand,
And if he doesn't catch a perch or a trout,
He opens the door and simply steps out.

I often have thought that it isn't nice
To have your fish house way out on the ice,
Where you have to wade in snow to your knees,
Which probably will start you to cough and to sneeze.

So here's to you fellows who park on the lake,
He thinks you are making a great big mistake;
And you should set your house on the shore,
You will probably catch less but hope you catch more.

Then when the ice starts to thaw in the spring,
You won't have to worry about a blame thing,
For you will be parked right up where its dry,
Then you will be able to get some shuteye.

Or perhaps if you used the right kind of bait,
It could be early or maybe quite late,
You could try it whenever you wish,
You just might catch a two-legged fish.

Area Grouse Hunting Improved Over Previous Year

LINDSAY (ENS) — An increased number of grouse were bagged by hunters in the Lindsay Forest District last fall.

William Wyett, Park Naturalist, reports 113 grouse hunters bagged 0.62 birds per hunter, an increase over the previous year when only 0.47 birds per hunter were shot.

All birds reported to the Department of Lands and Forests were shot north of the Kawartha Lakes. Hunting was heaviest in Haliburton County.

As is usually the case, most of the grouse were taken shortly after the leaves had fallen during the first two weeks of October. Invariably, leaf-fall proves an advantage to the hunter who can keep his flying quarry

in sight for a longer period. In an attempt to acquire an overall picture of the grouse population, Department Conservation Officers collected a number of wings and tail feathers from co-operative hunters and forwarded the specimens to district biologists to determine their age and sex.

Results of the study, which have been carried out for a number of years, disclosed a relatively stable adult male to adult female ratio of almost one to one — a ratio considered normal for a healthy population.

A high ratio of juveniles per adult female (14.1) was obtained, but the figures, based on only 87 specimens, are not indicative of the composition of the population.

OBITUARY

THEOPHILUS MCCREA

Theophilus Edgar McCrea of Tory Hill entered into rest at the Queen Elizabeth Hospital on Thursday, February 11, 1965, in his 88th year.

He was born at Maynooth and moved to this district with his family while he was still very young. In 1909, he was married to Mary Elizabeth Boyce of Tory Hill where they have farmed and lived their life. He was a life long member of the United Church and a good neighbour to all who knew him.

He is survived by his loving wife; three daughters, Mrs. Garnet Lee (Florence) of Tory Hill, Mrs. Arnett Barry (Alice) of Toronto, Mrs. Horace Jackson (Ruby) of Toronto; and by one son, Stephen of British Columbia. He was predeceased by a son, Kenneth. He had 11 grandchildren, Bessie, Ria and Gary Lee, Melvyn, Robert, Judy and Ronnie Jackson, Adrienne, Douglas, Reggie and Carolane McCrea and two great grandchildren, Michael and Karen Croft.

Friends and relatives called to pay their respects at his home where he rested from Saturday until Monday. The service, conducted by Rev. K. McAllister, was from the Tory Hill United Church with interment in the Wilberforce Cemetery.

Pallbearers were Hubert Dunford, Bruce Dunford, Gordon McCrea, Bill Boyce, Gary Lee and Melvyn Jackson.

Sergeant Majors On Parade

New "Rank Insignia" and new "Uniforms" will make up part of the Graduation Ceremony for 17 newly appointed O.P.P. Sergeant Majors.

O.P.P. Commissioner Eric H. Silk, Q.C., took the salute at the "Passing Out Parade", Provost Corps School Drill Hall, Camp Borden at 10:00 a.m. on February 19, 1965.

During the two week intensive training course at Camp Borden, the Sergeant Majors received instruction from both Provincial Police and Canadian Army Provost Corps instructors in such subjects as Drill, crowd control, police subjects administration, methods of instruction, tear gas equipment, weapons and supervision techniques.

One Sergeant Major will be assigned to each of the 17 District Headquarters throughout the province and will be responsible for discipline and force operations throughout their respective districts under the command of the District's Superintendent.

The new uniform is described as follows: Navy blue uniform, black buttons on tunic, black bands will replace the familiar red stripe on trouser legs. A black embroidered band will decorate cap visor, a cloth belt replaces leather "Sam Browne". White shirts and black ties, Oxfords will be worn instead of boots. The new "Insignia" is gold on navy blue and will be worn on the right forearm.

BUSH LOT OWNERS' FIELD DAY

The Timber Branch of the Lindsay District Department of Lands and Forests recently arranged two meetings of "Bush Lot Owners", one at Kinmount and the other at Apsley, to acquaint them with the potential of the Balsam Fir as a Christmas tree.

It was explained to those attending that an axe, a pair of hedge shears and a pair of clippers judiciously applied in the culturing of Balsam Fir would have the effect of upgrading this species and placing it once more in the forefront of the annual Christmas tree market. The growers would of course benefit financially from their efforts.

Both meetings were well attended and the interest was such that two field demonstrations were held where the techniques described at the indoor meetings were practically demonstrated by the Timber Supervisor and some members of his staff.

DEER CAMP HUNTING RESULTS FOR 1964

During the two weeks of the 1964 deer hunt 4,430 hunters, hunting from organized camps, bagged 1,976 deer for an indicated average success of almost 45%.

These figures represent the product of returns received from 483 of a total of 526 camps (370

Crown land and 156 patented land) whose members were asked to report details of their hunt on a form provided.

We do not believe 526 represents the total number of camps in the Lindsay District for there are no doubt some on privately owned land of which we are not aware but the 92% response to our request is most gratifying and provides us with information not otherwise obtainable.

It is perhaps interesting to note that the degree of success enjoyed, varied from township to township.

For example 50 to 60% of those hunting in Anson, Burleigh, Chandos, Dalton, Digby, Hindon, Longford, Methuen, Minden and Snowdon Townships bagged a deer.

While from 40 to 49% of Anstruther, Belmont, Cavendish, Galway, Glamorgan, Harburn, Harcourt, Harvey, Havelock, Lutterworth and Somerville hunters were successful.

And only 33 to 39% of those pursuing deer in Bruton, Cardiff, Dudley, Ennismore and Monmouth caught up with their elusive prey.

The results from Clyde, Dysart, Guilford, Sherborne and Stanhope were even poorer.

The greatest number of hunters, 378, congregated in Bruton Township, while the most deer 189, were taken from Hindon Township.

It is generally believed that the 6,000 to 7,000 camp hunters estimated to be afield in the Lindsay District during the period of the hunt contribute in the neighbourhood of \$100.00 each, or \$600,000.00 to \$700,000.00 to the local economy.

Leadership In Research

Over the years, Canada has shown the way to the world in many aspects of medical research. It was here that insulin, the lifeblood of the diabetic, was discovered; it was here that the Salk vaccine for poliomyelitis was developed.

We should be proud that we have in Canada, doctors and medical scientists who can provide the leadership, inspiration and imagination to the world of medicine. Today, many of these men and women are engaged in an all-out fight against heart disease. They are fortunate to have at their disposal the facilities of our medical schools which are among the finest in the world. Already much of their effort has been crowned with success.

Research on heart disease in Canada need know no bounds, unless it is limited by the lack of funds. During this month, February, the Canadian Heart Fund is conducting a drive to ensure that the research may continue uninterrupted. Funds are needed to meet expenses incidental to the work and to maintain the doctors and medical scientists on fellowships.

All of us have a vital stake in the fight against heart disease. Our support of the Canadian Heart Fund will help our medical scientists to conquer yet another enemy of mankind.

Minden WI

The February meeting of the Minden W.I. met at the home of Mrs. Fred Wright on the evening of the 17th with Mrs. McArthur presiding.

After the business, the roll call of "How I make my head save my heels" was replied to by 18 guests and one visitor.

Mrs. McArthur reported that the quilt is ready to be set up and thanked all who helped get this ready. Visitors to the local hospital before the next meeting are Mrs. McArthur and Mrs. Harry Welch.

Mrs. Moore, convener of health, introduced Mrs. Locke who is a chiropodist. She spoke on care of the feet and gave us some new ideas and a question and answer session followed. The president thanked Mrs. Locke for coming out and giving us a very interesting talk.

The next meeting will be a short one at the Orange Hall, followed by a card party.

The meeting closed with National Anthem and W.I. Grace, and all enjoyed the delicious lunch served by our hostess and her committee. A draw was made for a gift which was won by Mrs. Allan Taylor.

CHURCH NEWS

B.A.C. COMMUNION AND BREAKFAST

The following are the minutes of the Brotherhood of Anglican Churchmen's Communion and Breakfast held at St. George's Anglican Church on Sunday, February 21st, with 30 members present.

The Secretary then read the minutes of the Executive Meeting held at the Rectory on Sunday, February 7th.

Rev. Carder suggested that the B.A.C. start a book of the month library in which the book selected could be passed around amongst the members. He suggested that we start with Pierre Berton's "Comfortable Pew".

Ron Sisson was thanked for his great effort in constructing tack boards for our Sunday School.

Dick Clarke thanked the ladies on behalf of the B.A.C. for a delicious breakfast.

One volunteer was called for to help one Sunday a month for the transportation of children to Sunday School re our car pool.

The guest speaker for the morning was Mr. Glen Hodgson,

M.P.P. for Victoria - Haliburton. Glen opened his talk telling us that Parliament opens each day with special prayers to state

their belief in God and his guidance in our affairs. He went on to say that Parliament does not start your deliberations before they ask for guidance to carry on the work. Glen brought up an interesting fact stating that the first highway was not built by man, but by God. The speaker went on to say that if we are to cure our problems abroad, we must have a special purpose and religion.

The speaker was introduced by Bud Thayer and thanked by Ken Langdon.

The meeting closed with prayer.

MEMBERSHIP FORMED

AT EAGLE LAKE CHURCH

This Sunday, February 28th, the Eagle Lake Community Church will conduct a Membership Service under the direction of Rev. John Smith. Those joining the Church have been members in various denominations and have had their memberships transferred.

The Community Church building was erected in 1938 and the minister at that time was Rev. Wesley Bee. Many improvements have been made on the building since that time but there has never been a definite membership established. Over the past year a constitution has been worked out based on the following Christian principles:

1. Public worship and the preaching of the gospel.
2. The study of the Word of God as a guide to right living.
3. The promotion and advancement of Christ's Kingdom through missions.
4. The instruction of the young in the Christian Faith; the care of the poor; and the support of such righteous causes as God reveals to us.

We extend a warm invitation to everyone to attend this service at 10 o'clock on Sunday morning.

Highlanders Bow Out To Newcastle Juveniles

The Haliburton Highlanders bowed out to Newcastle after a drubbing Newcastle 9-4 in the first game; they dropped the next two by scores of 5-2 and 6-2. The boys offer no alibis, but we feel the week between games served to cool them out and they were unable to untrack themselves. The last game was played on very poor ice and as most coaches will say, the puck just wouldn't bounce for us.

We would like to take this opportunity to express our pleasure working with the kids; they took their wins like champions and their defeats like good sports. They were well behaved in the dressing room and never at any time any back talk to the coach.

We have nothing but praise for Ab LaRue in his work as coach with the boys, who at times is like an old bear and at other times is like a mother hen. He took a group of boys who never played together before and moulded what we think was a good hockey club, and judging by the disappointment in A. J. it told us how much he puts into his duties as coach.

We would have liked to take the boys a little farther in the playoffs just to give them a taste of outside competition, but next year is coming and most of these boys can play on the same team and with the addition of a few more players perhaps we will hit the top next year.

High School Basketball Notes

Of course, not everyone curls, so here is the news of the basketball games played. On Monday, February 15th, a team of girls from Haliburton Highlands Secondary School travelled to Bancroft and defeated the home team by a score of 52-15. On Monday, February 22nd, the Junior Girls' team journeyed to Lakefield to participate in a basketball tournament. Other teams from Fenelon Falls and Haliburton High Schools also entered. On Saturday, February 27th, the Senior Girls' Basketball tournament will be held at N.H.S. Teams will come from Lakefield, Fenelon Falls, Lindsay and Haliburton.

(Bancroft Times)

A word of thanks to all the valiant who were around at every game to spur the boys on, even to the ones who walked the bench and to the members of the executive with whom I had the pleasure of working. We intend to start immediately with plans for next year. Any suggestions and offers of help would be appreciated.

Now we can get behind the Minden Midget series and wish them the best as they start their playoff with Bancroft.

Bancroft Wins Bowling Tournament

A six-man bowling team from Bancroft travelled to Carnarvon on Sunday, February 14th to compete in a bowling tournament. Other teams participating were one each from Minden and Fenelon Falls, together with two teams from the host, Carnarvon.

After the teams had bowled a three game block, the total pinfall for each team was calculated and Bancroft was declared the winner, having a whopping 3,445 score. Runner-up was Carnarvon No. 1 team with 3,287, with Minden having 3,258, Carnarvon No. 2 team having 3,093, and Fenelon Falls 3,069.

The following is a list of the Bancroft bowlers with their respective three game totals:

Bill Phillips	757
Roy Sutherland	730
Willard Goodman	692
Sam Gillespie	620
Ron Black	584
Wilfred Holbrook	535

Before the start of competition, Bancroft rolled a practice game in which Bill Phillips had a score of 321, thereby winning a ball-point pen, courtesy of the management. Bill's triple of 757 was also only 19 pins shy of the high triple for the day. The Bancroft team is to be congratulated for their fine showing, especially since the Carnarvon lanes are considerably inferior to those in Bancroft.

A return tournament is tentatively planned for a Sunday afternoon in Bancroft within the next two weeks, at which time Bancroft will be represented by at least one additional team.

(Bancroft Times)

Letters to the Editor

Confederation Heights,
Ottawa 8, Ontario.
Mr. Berkeley Feir, Editor,
The Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

Another Christmas season has passed and, from a postal standpoint, we feel it was a success. The expeditious handling of the record volumes of mail, well within the periods prescribed, bore this out.

One factor which I feel contributed greatly to this success and deserves special recognition was the excellent co-operation and coverage extended by a number of news media during the peak mailing period. Granted, mail volumes of such magnitude may be a newsworthy item in themselves, but for organizations, such as yours, to provide a service beyond what normally would be expected, is certainly commendable and appreciated. By spreading the word of early mailing and by encouraging correct addressing and bundling of mail, you have rendered a service of inestimable value to our postal operation.

Conceivably, the public may not fully understand or even appreciate the value to them of your public service announcements, but I can assure you that we in the Department are fully aware of the benefits derived and take this means of conveying our appreciation and thanks.

Yours sincerely,

W. H. WILSON,
Deputy Postmaster General.

Is A Snowmobile A "Vehicle"?

Is a snowmobile a "motor vehicle" that needs licence plates and a licensed driver?

If it is operated on a road or highway, the answer is "yes".

An official of the Ontario Department of Transport said many enquiries have been received this winter about the legal status of snowmobiles. The growth of interest apparently stems from increased use of these vehicles, especially in the northern parts of the province.

He said a snowmobile is definitely a motor vehicle within the meaning of the Highway Traffic Act, when it is on a street, road or highway.

This means that all the regulations applying to cars and motorcycles on roads or highways also apply to snowmobiles — for example, they must have vehicle permits and licence plates, have proper headlights, tail-lights and brakes, and be operated by a driver who is at least 16 years old and has a driver's licence.

For licensing purposes snowmobiles are classified as follows:

Passenger-carrying snowmobiles with two skis at the front and individual tracks on each side at the rear are classified as "pass-

enger vehicles".

Those with two skis at the front and a single endless drive belt at the rear are classified as "motorcycles".

Snowmobiles equipped with truck or delivery bodies are classified as "commercial vehicles".

Snowmobiles which carry passengers for hire are classified as "buses".

When snowmobiles are operated in places other than streets, roads and highways, the provisions of the Highway Traffic Act are not applicable.

Rotary News

The Haliburton Rotary Club held its weekly meeting at the Haliburton United Church on Thursday night last with four members absent. Those away were Lance Easton, Harold Proctor, Rea Stinson and Harold Herlihey.

We were pleased to have with us one guest, Mr. Albert LaRue. Ab is by no way any stranger to the club as he is always in charge of the Hamburger Booth at each year's carnival. He also helps the club out in many other ways.

Last week's meeting was another 100%.

Under correspondence, a letter was read from the Barrie Rotary Club re their chartered plane trip to England which is coming up.

A letter was also read out from the Minden Kinsmen Club inviting the Haliburton Rotarians to their Rotary and Kinsmen's Ladies' Night which is to be held at Bonnie View on February 24th.

A letter was also read from the Reayon Rotary Club re the upcoming convention.

The guest speaker of the evening was Mr. Hugh Wilson of Cannington who is overseeing the construction of the new Arena and Community Centre at Haliburton. He was introduced by Albert LaRue, chairman of the Dysart Community Centres Board, and thanked on behalf of the club by Lew Roberts.

congratulated in their efforts as a team in Cub work during the past year.

Each year an engraved plaque is presented to a deserving boy who qualifies for the "Outstanding Cub Award". Dennis Good was the surprised recipient of this award.

Bob Bishop replied to the toast of thanks to the Fathers proposed by Richard Nimigon.

For the preparing and serving of such a lovely meal, Dave Exley thanked the ladies.

Frank McIntyre, a Scout Committee member, led the male voices in a rousing sing-song with accompaniment provided by Betty Salvatori.

The Cubs under the leadership of Cubmaster Len Salvatori and Assistant Cubmaster Earl Casey, presented a display of knot-tying and Semaphore signalling. The Cub Law, Promise and a brief history of the movement and its founder, Lord Baden Powell, was given by the Cubs.

The Scouts under the direction of Scoutmaster Lance Easton and Assistants Stan Hill and Dave Exley, gave excellent demonstrations of First Aid, Semaphore signalling and the Braking of the Flag.

At this time, Earl Shipley made the draw for the Clock Radio which was won by Mr. Stan Russell of Port Arthur.

Don Lloyd's guest, Corporal Tom Arnitage from the Safety Branch of the Peterborough Detachment of the Ontario Provincial Police, then showed a short cartoon film with many good safety reminders for pedestrians.

On behalf of the Cubs, Scouts and Fathers, Lance Easton thanked the Legion for hosting the banquet and the singing of "The Queen" concluded the programme.

Many fine samples of Cub and Scout handwork were on display at the banquet. One item of interest to past Cubs is a project started by Len Salvatori, that of compiling pictures of registered Cub members since its beginning in 1953. In conjunction with Scout Week, Feb. 21 - 28, and thanks to the kindness of Gerry Wood, this display may be seen in the window of the Grigg Co. store this week. Be sure to see it!

The Scout Committee would like to thank Mark Schell for preparing the turkeys, Walling's Dairy for donating the chocolate milk, Rev. McNeill for his assistance with the Scouts, and the many ladies who so willingly prepared, donated, or served the dinner which made the evening so successful.

Some people hesitate to say what they really believe. But not Bill Smiley. He's not one to think one thing, say another.

That's why you can count on his column, every week in this newspaper, to take a stand that's either opinionated, controversial or even irreverent—but always original.

Bill Smiley is Canada's most widely syndicated newspaper columnist. He's 44, has a wife, two children, and a mortgage. He once published a weekly newspaper, but is now a high school teacher—which he compares to working in a steel mill.

If you appreciate candid commentary on things Canadian, stirred with a dash of humor, a good measure of healthy scepticism and a perceptive understanding of your fellow man, you probably already read Bill Smiley's column. If you don't, you should. Look for it every week in

L. & S. Outline Fish Study In Haliburton Highland Lakes

Ron Christie, District Biologist for Fish and Wildlife division of the Ontario Department of Lands and Forests, Lindsay, explained to members of the Haliburton Highlands Property Owners' Council at the Inn-On-The-Park recently, the purpose and method of a 3-year "creel census" to be initiated in the spring in the Haliburton Highlands. Due to the fact that most of these lakes are fed by rock-filt red water they are relatively infertile for the production of fish. Mr. Christie told the Council that the proposed survey will have an important bearing on future fish production in the area.

Mr. Christie suggested that members of the Haliburton Highlands Property Owners' Council, which includes delegates from Cottagers' Associations who speak for approximately 5500 cottagers in the area, could help considerably by organizing groups of fishing volunteers to work with the department, in compiling of data of marked fish released by the department, and caught in the area. He further asked for co-operation in restraining the requests for individual fish surveys which might hinder the following out of the organized planning of the project in question.

Orangeman Honored

(Continued from Page One)

work, he would put his heart and soul into it. Regardless of differences some may have with him, no one could ever say that he ever shrank from hard work and his activities over a long period in the cause of Orangeism bear this out.

When he was sixteen, special dispensation was invoked to permit him to join with the Orange Lodge at Burnt River. When he later came to Donald to engage in business he joined Lochlin L.O.L., and later when he moved to Haliburton he transferred his membership to L.O.L. 975. Bro. Hodgson was not long making his presence felt in the lodge here which was anything but in a healthy condition at that time. He was instrumental in persuading a group of young men to not only join the order but to accept the various offices, and he soon found himself Worshipful Master of the local lodge. Such was the progress of L.O.L. 975 that when he stepped out to head his lodge at the Twelfth of July celebration in Lindsay, he found 115 members behind him. Later he became County Master and visited every nook and corner of this county re-organizing and rejuvenating various lodges that had become more or less dormant. The work that C. W. Hodgson had accomplished in this area did not go without being noticed in Grand Lodge circles and it was not long until it was most Wor. Bro. C. W. Hodgson, Grand Master of Ontario East, and he must have really excelled here holding the office for three years, such an occurrence as this only happens once in a century.

Reeve Roy Brohm was called on to present the guest of honour with a fifty year service certificate. In making the presentation, Bro. Brohm reminded us of the many things that C. W. Hodgson had done for us in this area citing as examples our many fine highways and bridges and Skyline Park.

Mr. Hodgson was visibly affected by the presentation and the letter that was read from Wor. Bro. Leroy Haney on behalf of the Grand Lodge, however he gave a most interesting account of his experiences he had in connection with the order over the past fifty years. The speaker paid sterling tribute to Bro. Fred Neimann who was chairman for the occasion. "Without the tireless efforts of Fred Neimann we would not be sitting in this splendid Orange Hall to-day", said the speaker. Mr. Hodgson urged the younger members of the Orange Order to work hard to strengthen their lodges and create a stronger Association within the county.

Glen Hodgson, M.P.P., son of the honoured guest spoke of the pride he had of his parents and the debt of gratitude that he owed them. The member also stated that in his opinion the Orangemen should render a banquet in honour of Bro. Fred Neimann for the contribution that he has made to the Orange Order in Haliburton. "Why wait said the speaker until after all these people are gone before we start handing out the bouquets?"

Bro. Gordon Barr of Gooderham also spoke briefly.

Another presentation took place when Bro. Wayne Woods presented Bro. Cecil Winters with a Past Master's Collar.

Reeve Brohm thanked the ladies of L.O.B.A. for providing such a sumptuous banquet.

The singing of God Save The Queen concluded the enjoyable event.
